

Is a Family  
Owned and  
Operated

business, serving the golfing community for over 45 years. Personalized service is our #1 priority.

Golf Country has grown over the years & can offer a variety of opportunities to improve your golfing experience:

*~ Trackman doppler radar is used for custom club fittings, both indoor & outdoor.*

*~ There are 17 covered, heated/cooled hitting bays.*

*~ Golf lessons are available by appointment.*

*~ 2 golf simulators, with over 350 golf courses to choose from, for family fun, leagues, or practice experiences.*

*~ The complex also includes a putting green, chipping green with sand bunker, target greens, and a 9-hole Foot Golf course.*

*~ There are 2 levels of retail space with everything to take care of your golfing needs.*

Golf Country is proud to be affiliated with SONS Outreach as a fundraising partner. This golf event is organized & sponsored by Golf Country, as a way to link golfers & businesses with the SONS team.

Let's work together to make our dream of safer neighborhoods and a closer knit community a reality. God Bless!

## Golf Country Classic

It's hard to believe we've now been in our building at 55 15th Street for three incredible years. This space has truly become a hub for growth, vision, and transformation. We're filled with gratitude for all who have supported SONS Outreach through the years, and especially during this new chapter. Thanks to generous partners and persistent effort, we've completed exciting renovations that allow us to serve more students, more effectively. From refreshed classrooms to improved common areas, the building is coming alive with new possibility. We remain committed to our mission and energized by what lies ahead. With these upgrades in place, we're preparing to welcome even more youth this fall—and we believe the best is still ahead.

For 33 years we have worked to holistically help youth with programs that support their social development, academic excellence, and most importantly their "spiritual growth". Current programs that we sponsor include: Manhood & Sister Circle, Basketball and Flag Football Leagues, the Talented TENTH College readiness program, Summer Dream Camp, Adventure Camp and our newest initiative the "Your Future Now" after-school vocation and trades program.

***Proceeds from this year's golf event will go to help SONS with expanding our Your Future Now! program, which helps raise youth up in Trades, Services, and Entrepreneurship, as well as expand our transportation here!***

We are grateful for your support today and humbly urge you to continue your investment in our outreach to youth and teens by becoming an "Annual Booster". A Booster commits to giving a minimum of \$10 per month and upwards of \$100 per month (or any amount in between) for one year. It can be donated in any increment that is most convenient for you.

We at SONS Outreach want to take this occasion to express our appreciation for **Mr. Norman "Gene" Watson**. Gene has been a long time supporter of SONS and just recently stepped down from his role as a member of our board of directors. Congratulations Gene and we applaud your nearly perfect attendance in participating in the annual SONS "Golf Country" Classic. If only we could still fit in those original polo shirts that were given out at that first tournament like you. **God bless you from JD Jowett, Tyrone Burrell and all the folks at Golf Country and SONS Outreach.** May you keep it in the fairway for many years to come!
